Features

- **Easy and quick application with no mess and no grout bag needed.**
- **Water activated** (once moistened will dry to hard rubber consistency)
- **Insect, weed and moister resistant.**
- **Fits in the smallest joints with ease.**

Description

Logical Resource (Magic Dry Grout) is a granulated powder. Fills joints in concrete, stone work, masonry and paver slaps. Fill joints up to 2 inches and installs dry for easy clean up. Works best on flat work that is well based with little movement .

DIRECTIONS

Read all directions before starting work.

Do not apply when temperatures are expected to fall below 50° F (10° C) within 48 hours. Clean area and remove all loose concrete, grease, oil, paint, dirt and any foreign materials that will inhibit performance. Ensure joint is completely dry before installing dry grout. Pour dry grout into joints. Ensuring all voids are full. Brush all excess material off and leave Dry Grout flush with surface. Mist lightly with clean water one to three times depending on depth and width. Sponge off all residue .

Let dry 24 to 72 hrs depending on weather. Do not drive over until product is dry.

Warning: CONTAINS CRYSTALLINE SILICA, ETHYLENEVINYLACETATE COPOLYMER, ACETALDEHYDE AND PORTLAND CEMENT. May cause eye, skin, nose, throat and respiratory tract irritation. Harmful if swallowed.

This product contains chemicals known to the State of California to cause cancer.

PRECAUTIONARY MEASURES FOR USE: Avoid breathing dust. Wear dust mask, gloves and eye protection. For **SDS** visit WWW.logicalresource.net

FIRST AID: SKIN CONTACT: Wash thoroughly with soap and Water.

EYE CONTACT: Flush with water and call physician.

DO NOT TAKE INTERNALLY. If swallowed, do not induce vomiting. Get medical attention Immediately.

KEEP OUT OF REACH OF CHILDREN.
